

Tasting Room COVID 19 Guidelines

Patrons:

- A host will welcome and seat guests at designated outside tables
- All guests must adhere to social distancing practices and standards
- Guests must wear face coverings until seated, at which point they may be removed. Upon leaving, face coverings must be worn as well. Face coverings will be provided for guests that don't have them.
- Surfaces will be sanitized every hour and after each table is used
- All dine-in services will happen on the patio. The inside of the tasting rooms will remain open for retail purchases only.
- Groups of up to 6 people are allowed. Groups must be from the same household.
- Hand sanitizer readily available for customers at entrance and throughout facility.
- To-go food and wine purchases are available. Please call ahead for any to-go orders

Staff:

- Staff must wear a face covering when interacting with the public and coworkers, and whenever a social distance of 6 feet can not be maintained.
- Staff will wear facial covering and single use gloves when handling, preparing and serving food.
- Staff must do daily temperature and general health checks before the start of the workday
- Staff must stay home if sick.
- If staff a member is showing symptoms of COVID-19, they will be sent home immediately. Rooms will be disinfected the area(s) the staff member was present in.
